## The Great Book of Monster Legends

Stories and Myths from around the World  
By TEA ORSI

The Great Book of Monster Legends is a fun introduction to mythical creatures from all over the world! Readers are guided by two girls, Erin and Nora, who found their grandfather's old notebook in the attic. He was a monster expert, and the notebooks are filled with his research. But his research is incomplete, so they take up where he left off investigating monsters across the globe. They start in North America where the well-known Bigfoot has been sighted and then travel to Scotland to find the Loch Ness Monster, or Nessie. Then they continue their trek in search of monsters. Author Tea Orsi presents the information in the form of small descriptive cards with curiosities and highlights, and illustrator Anna Lang enchants the reader with her captivating characters. Readers will be fully engaged while learning everything they've ever wanted to know about monster legends.

### Kids' Guide to Playing the Piano and Keyboard

Learn 30 Songs in 7 Easy Lessons

By EMILY ARROW

Enter the world of music by not only hearing the difference in musical tones and chords, but also seeing the difference. Written by the award-winning YouTube sensation and author of *Kids' Guide to Learning the Ukulele* and *Kids' Ukulele Songbook*, Emily Arrow's newest book *Kids' Guide to Playing Piano or Keyboard* is a simple and much needed piano method for beginning musicians ages 6 and older. Her process is very approachable as she walks young musicians through learning musical notes and chords on a keyboard through a color dot method. She uses colorful stickers for the notes, flashcards to learn the rainbow chords and video/audio links for the students to reference. The book also introduces young minds to important musical vocabulary, fun facts and the history of the piano and provides a practice chart. It even provides on-line video and audio access so young minds can see Emily teaching and hear what the piece should sound like. If your child needs an easy and fun guide to learning the piano, this is the book for you.

### Kids' Ukulele Songbook

Learn 30 Songs to Sing and Play

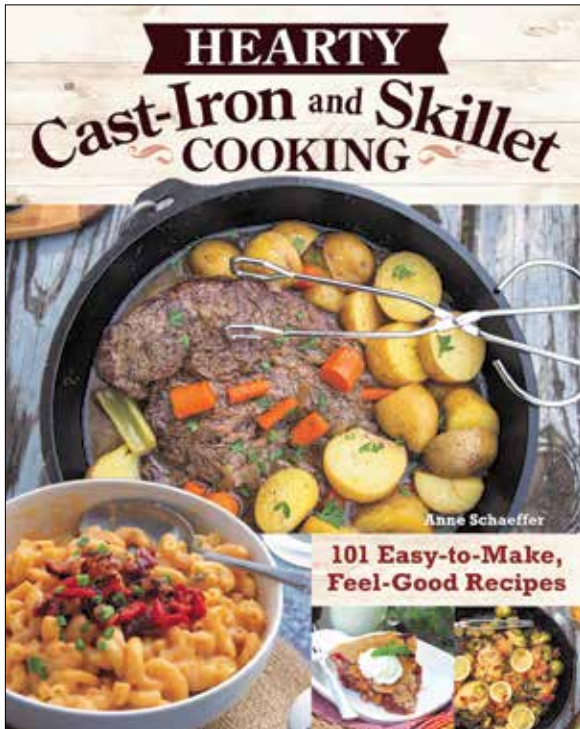

By EMILY ARROW

The perfect next step for kids with a basic understanding of how to play the ukulele, *Kids' Ukulele Song Book* continues their musical practice with 30 new songs for kids to learn and play! Starting off with a quick review of the four basic ukulele chords, children will then learn brand new chords and single notes to build on their existing skills. From there, easy-to-follow guidance for 30 simple songs will have children strumming in no time – from Starlight Starbright and If You're Happy and You Know It to Emily's original singalong tunes! Kids can also create their own original songs using the songwriting template pages, use a practice chart for staying on track, cut-out colorful chord cards, and even access online audio to play along with author Emily Arrow, making this book is the ultimate continuation to expand and grow their ukulele skill set!

**“This fun-filled book is jam-packed with advice, inspiration and activities to get beginning music-makers and aspiring singer-songwriters up and running.”**

The American Kennel Club (AKC) is known for having the first and last word as the official source for all things dog related, and *The New Complete Dog Book, 23rd Edition* is the AKC's "Bible" of dog books. This revised and updated 23rd edition contains new American Kennel Club initiatives and programs – especially virtual titling options – recently recognized dog breeds that have been added to the seven main groups, revised breed standards, and changes in breed classifications. Dog owners, breeders, and clubs will find the most current information here on AKC registration, competitive events, and programs. A celebration of every breed of dog recognized by the American Kennel Club—over 200 breeds—this newly updated edition is a must-have that belongs in every dog enthusiast and professional's library.

**“In print since 1929, this 900-plus page resource, produced by the American Kennel Club with assistance from members of the national breed clubs, covers the official standards for more than 200 breeds. Broader overviews aimed at potential owners discuss size, activity level, and temperament. ## The Dog Behavior Problem Solver, Revised Second Edition

Positive Training Techniques to Help with Anxiety, Phobias, and Other Negative Behaviors

By TEOTI ANDERSON

Dog behavior problems are often cited as the main reason for owners abandoning their pets to shelters and surrendering them to rescues, but many of a dog's problems can be resolved by a caring and responsible owner who's willing to devote a little time to positive dog training. In *The Dog Behavior Problem Solver, Revised Second Edition*, you'll learn insight into why dogs do what they do while understanding how to implement cruelty-free, reward-based training in clear, easy-to-follow steps.

## What If...Book of Alternative History

Revisit Major Milestones That Shaped World History and Discover the Outcome If They Had Happened Differently

By JEFF GREENFIELD, CATHERINE CURZON, ELIZABETH NORTON, NICOLA TALLIS

The course of history has taken many turns. What would the world be like if events had happened differently? What if JFK had never visited Dallas on November 22, 1963? What if Germany had won the First World War? How would life be different in America if the Southern states had beaten the North? What would a world without The Beatles sound like? Find out the potential answers to all these questions and many more in *What If...Book of Alternative History*.

## Gettysburg

Three Days That Saved the United States

By BEN NUSSBAUM

Regarded as the turning point of the American Civil War, *Gettysburg* commemorates the three-day battle that took place over 150 years ago. From the first shots fired on the morning of July 1, 1863 to Robert E. Lee's losing gamble known as Pickett's Charge on July 3 that resulted in thousands of Confederates being driven back by Union forces, *Gettysburg* is a snapshot of three of the most important days in US history. From cover to cover, discover rare photos, expertly written articles, and intriguing illustrations and maps detailing the political, military, and social conditions that thrust the sleepy town of Gettysburg forever into the pages of history books.

## History of the Slave Trade

The Origins of the Slave Trade and Its Impacts throughout History and the Present Day

BY EDOARDO ALBERT, HARETH AL BUSTANI, JOSEPHINE HALL

The transatlantic slave trade is one of the most shameful chapters in human history. While this inhumane trade was eventually abolished in the 19th century, the scars still remain and the lasting impact is still being felt by communities around the world. In *History of the Slave Trade*, we seek to tell the story of the transatlantic slave trade – from its origins to its abolition. We discover the impact on Africa, the horrors of the Middle Passage, and what life was like for millions of enslaved people.

## American West

History of the Wild West and Westward Expansion 1803-1890

BY ALICE BARNES-BROWN, WALTER BORNEMAN, NELL DARBY

In *American West*, uncover the resistance that these enterprising settlers faced, from the Native Americans to the unforgiving terrain. Discover the reality of what life was like on the frontier, and meet some of the key figures in creating the legend of the Wild West, including Billy the Kid and Wyatt Earp. Elsewhere, find out how the Native Americans suffered at the hands of the western settlers, from wars and legislation that stripped them of their rights, to attempts to crush existing cultures.
