Kids' Guide to Playing the Piano and Keyboard

Learn 30 Songs in 12 Easy Lessons

Emily Arrow

Enter the world of music by not only hearing the difference in musical tones and chords, but also seeing the difference. Written by the award-winning YouTube sensation and author of *Kids' Guide to Learning the Ukulele* and *Kids' Ukulele Songbook*, Emily Arrow's newest book *Kids' Guide to Playing the Piano and Keyboard* is a simple and much needed piano method for beginning musicians ages 6 and older. Her process is very approachable as she walks young musicians through learning musical notes and chords on a keyboard through a color dot method. She uses colorful stickers for the notes, flashcards to learn the rainbow chords and video/audio links for the students to reference. The book also introduces young minds to important musical vocabulary, fun facts and the history of the piano and provides a practice chart. It even provides on-line video and audio access so young minds can see Emily teaching and hear what the piece should sound like. If your child needs an easy and fun guide to learning the piano, this is the book for you.

The Dog Behavior Problem Solver, Revised Second Edition

Positive Training Techniques to Help with Anxiety, Phobias, and Other Negative Behaviors

Teoti Anderson

Dog behavior problems are often cited as the main reason for owners' abandoning their pets to shelters and surrendering them to rescues, but many of a dog's problems can be resolved by a caring and responsible owner who's willing to devote a little time to positive dog training. In *The Dog Behavior Problem Solver, Revised Second Edition*, you'll learn insight into why dogs do what they do while understanding how to implement cruelty-free, reward-based training in clear, easy-to-follow steps. This newly updated edition provides additional information to step-by-step training exercises and problem behavior techniques, new advice from the American Veterinary Society of Animal Behavior regarding puppy socialization and positive training, and a new training section on Name Recognition/Response.
