The American Kennel Club, founded in 1884, is the largest canine organization in the United States and registers more than one million purebred dogs annually. The AKC sponsors more than 22,000 sanctioned events each year for purebred and mixed-breed dogs, including dog shows, agility and obedience trials, hunting and field competitions, and more. Special programs dedicated to training dogs, including the AKC Canine Good Citizen program and the S.T.A.R. Puppy program, help dogs to become well-behaved companions for their responsible, caring owners.

6" x 8"

\$15.99 US/\$19.99 CAN

ISBN 978-1-62187-224-5

Publication date: 03/28/2023

Susan M. Ewing has written close to a dozen dog books. She writes a bi-weekly pet column for the Post-Journal of Jamestown, New York, and has written for many national cat and dog publications. Winner of a Maxwell Award from the Dog Writers' Association of America (DWAA), she is a member of the American Society of Journalists and Authors, DWAA, and the Cat Writers' Association, of which she is president.

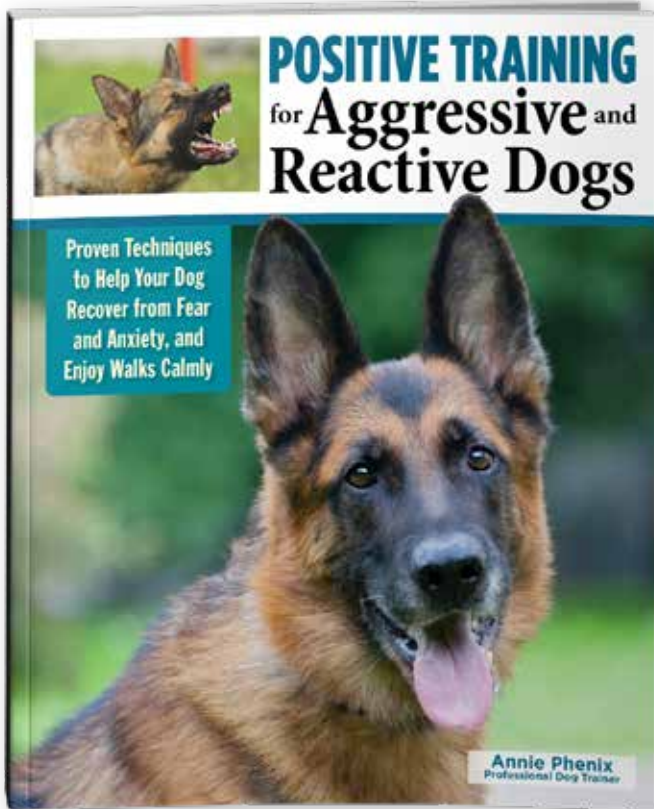

A positive training guide to puppy training, this must-have guide is a “week by week training guide” for all new puppy owners. Focusing on the first eight weeks that a puppy spends in the new owner’s home, *Puppy Training, Revised Edition* walks the owner through the lessons to teach one week at a time, offering common sense solutions to obedience and housetraining problems along the way. Sidebars throughout the text offer useful tips and alternative methods on how to train a puppy and teach lessons. From the first week – during which the puppy is taught to sit and stay – to the eighth week – devoted to teach the puppy to retrieve and a trick or two – this puppy primer is the best canine educational tool available! New to this edition is updated and modernized content on housetraining, collar conditioning, human and canine roles, and terminology.

Inside **Puppy Training, Revised Edition**

7" x 9"

\$22.99 US/\$28.99 CAN

ISBN 978-1-62008-364-2

Publication date: 01/31/2023

Deborah Mays is an experienced rabbit rancher with a BS degree in Wildlife Biology and an academic background in animal husbandry. She was able to run a profitable and successful rabbit ranching business with her husband and wants to share the lessons she learned about breeding, raising, and marketing rabbit meat as a source of income.

A totally novel, analytical perspective with the goal of financially rewarding and sustainable agriculture, author Deborah Mays shares her knowledge from running her own successful rabbit ranching business with her husband, as well as having a degree in Wildlife Biology and academic experience in animal husbandry. This is a must-have resource to learn not just the details of how to raise rabbits, but why. Covering topics such as housing, feeding, breeding, growing, disease management, genetic selection, and so much more, readers will understand the foundation to rabbit ranching and how to make rational management decisions for their own farm. From this guide, you'll be able to humanely raise healthy meat while also maximizing efficiency and controlling costs, as well as explore the different marketable venues and understand the laws governing the industry in the US.
